Tedder Bears Earn a "Standing O" for Piñataville!

The Tedder Elementary Chorus - aka "Tedder Bears" - arrived before 11:30 so they would have time to set up for their performance at the December BCREA meeting. Director **Susan James** and sev-

eral assistants scurried around getting things just right! And, WOW! Did they ever get it right! They opened with a pleasant rendition of *God Bless America* inviting the audience to

sing along - fairly ordinary fare. And then the real show began!! They took us on a magical visit to "Piñataville" - beginning with a boisterous *Ola* - and a tale of pirates who raided the

candy supply! The energy and enthusiasm of the students was infectious and many were soon clapping and seat-dancing! At the end of their final number the audience gave them a standing ovation.

President's Corner

Happy New Year!

I do not make resolutions each year. Of course, I have habits to change and improve, but I consider that a life-long project.

I hope you all enjoyed our

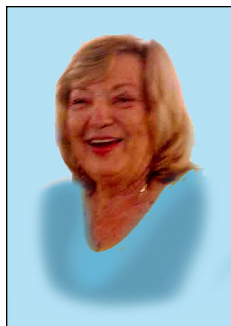

Tedder Elementary Chorus

presentation on December 5. I was impressed with the talent the students showed. The director, **Susan James**, deserves a big pat on the back. The motto of the school is "Tedder Bears are Better Bears." As far as the chorus goes, this is certainly true.

Be sure to get your tickets for our February Luncheon. Also, this is a chance to clean house and donate articles for our raffle. It is always fun to see what treasures we are willing to part with. You can bring donations to the January meeting or to the luncheon.

I am looking forward to a busy, exciting New Year! I plan to do my best as president of BRCEA. Is this considered a New Year's Resolution??

Diane

From the President-Elect.

We have a most interesting speaker for January. She is **Elaine Norlin** from the **Afro American Research Library and Cultural Center**. Elaine is the Executive Director for programs and exhibits.

As educators we need to be supportive of libraries and librarians. The knowledge that they bring to us can't be found "online."

Recently when there was a cut in school funding many librarians were removed. We need to be

knowledgeable about all of the activities and exhibits that are here in our area and represent the idea that libraries are most important to us and to our community.

Happy New Year
and Happy Reading!

Start the year by putting a book into a child's hands. Bring a new or gently used book to the next meeting. In fact, ask a relative or neighbor if they have a book to donate. Perhaps one of your grandchildren has outgrown a book and is ready to pass it on. Bring a book and receive a "goody". Don't forget BCREA sponsor the 5th grade literacy contest. Fifth graders may submit an essay, 500 words or less, about an experience with a grandparent or a grandparent figure. This can be done as an independent writing task. It does NOT need to be done in a classroom or with a school. Please, please encourage a fifth grader to send in an essay. They may give it to you to bring to the next meeting or contact me.

Our donations will help restock their Kids in Need Resource Center. Items on their "wish list" include crayons, markers, pens, pencils, erasers, scissors, tape, copy

and notebook paper, staples, paper clips, index cards and binders.

Time and time and time again, we outdo ourselves with our luncheon table. It was a wonderful sight to see at the conclusion of 2013. The buffet was an array of many tasty delights and tempting morsels to be shared by all in attendance. There was such a variety of cuisine that everyone was able to find something to tempt them into breaking their food restrictions just a little. We should give ourselves a "pat on the back" because almost everyone picked up their leftover food and containers on their departure. The Social Committee was extremely appreciative of this gesture and we applaud

your effort of not only preparing and bringing in your dishes, but of helping to clean the table after the luncheon. Please remember that when you bring in your edibles, we can usually provide the utensils to serve the food and that eliminates serving items from becoming lost in the clean up process. The Social Committee would like to thank everyone for your participation and in making this a very successful event. We wish you a wonderful start to a beautiful New Year and a happy and healthy 2014 to everyone! Hope to see you in January. *Sallie*

Frances Smoot's Thought for the Day.....

"I've learned that no matter what happens, or how bad it seems today, life does go on, and it will be better tomorrow. I've learned that you can tell a lot about a person by the way he/she handles these three things: a rainy day, lost luggage, and tangled Christmas tree lights. I've learned that regardless of your relationship with your parents, you'll miss them when they're gone from your life. I've learned that making a "living" is not the same thing as making a "life." I've learned that life sometimes gives you a second chance. I've learned that you shouldn't go through life with a catcher's mitt on both hands; you need to be able to throw something back. I've learned that whenever I decide something with an open heart, I usually make the right decision. I've learned that even when I have pains, I don't have to be one. I've learned that every day you should reach out and touch someone. People love a warm hug, or just a friendly pat on the back. I've learned that I still have a lot to learn. I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."
